MAIN PAPER

BSHM 223: MIDWIFERY CARE IV-CARE OF THE COMPROMISED NEONATE

INTAKE 3: SECOND YEAR SECOND SEMESTER

DATE: 2020 TIME: 2 HOURS

INSTRUCTIONS TO CANDIDATES

1. Answer any **three** questions.
2. All questions carry equal marks.

Question 1

Analyse the role of the midwife in supporting the family to promote attachment and bonding with the neonate admitted in the Neonatal Intensive Care Unit (NICU).

Question 2

Discuss the red flags in neonatal transition to extra uterine life and how the midwife can assist during this period.

Question 3

Explore the pathophysiology and management of conjugated and unconjugated hyperbilirubinemia in the neonate.

Question 4

Evaluate prevention and management of birth injuries in the new-born.

Question 5

‘Sanctity of life’ and ‘quality of life’ are both important neonatology. Discuss.
